The screenshot shows a code editor interface for a project named "the-tutor". The left sidebar lists files like client/, server/, w3s-dynamic-storage/, .eslintrc.json, LICENSE.md, nodemon.json, package.json, README.md (which is selected), .eslintignore, .gitignore, Procfile, and a Public folder. The main area displays the content of README.md, which includes a heading "Hello developer!", a detailed description of the template's features, and sections for "Knowledge requirements" and "Edit markdown". To the right, a preview window shows a mobile phone displaying a landing page for "TUTOR Adrienne". The page features a profile picture of a woman, the text "Online tutoring with Adrienne", and "Learn Coding & Programming". A "Help" button is visible at the bottom right of the preview.
